NORTH MEETS SOUTH

**Keep Calm and Motor On
To Beautiful Santa Ynez Valley**

The Paradise British Car Club, host of the biennial event known as North Meets South, evolved over the years to an All British Car Club, which it is today. The first "North Meets South" event was held in 1978. Over the years, as the club evolved, so did the NMS event to become host to all marques of British cars, but it has never lost its Central Coast charm, hospitality and enthusiasm. We hope you agree and come join us in 2016 in the Santa Ynez Valley on the beautiful California Central Coast.

The Santa Ynez Valley is located just 30 minutes from the beaches of Santa Barbara, three hours from Los Angeles, and four hours from San Francisco, and is an ideal venue for this

This event is a NAMGBR
Regional Event

event offering marvelous accommodations, great driving roads for our British cars, and a wide variety of attractions to keep you all enthused. There are six quaint towns within the Valley, all with different cultures that you can explore,

The Santa Ynez Valley is also home to more than 80 wineries, consisting mainly of small, family-owned boutique operations. The drives that we have planned for this event will take you to several of these wineries, depending on the route selected.

Each of the six thriving communities that are considered part of the valley are within a short drive of each other, and each has its own unique character that keeps visitors coming back. Our tours will take you through these towns so you can see the wide diversity of the Valley culture.

Los Alamos, a former stagecoach stop from years ago, has in recent years seen a culinary explosion, establishing excellent, quirky restaurants, wine tasting rooms, and more. Charming Los Olivos is the central hub of the valley wine industry. Here, you can spend a day tasting and lounging between visits to the many boutiques, antique stores and splendid art galleries. The tiny burg of Ballard also began life as a stagecoach stop and has since become a highly prized bedroom community.

Santa Ynez is a tiny town that offers an array of western town attractions including boot-stompin' bars featuring country

rock on weekend afternoons, as well as farm-to-table restaurants serving upscale cuisine.

Solvang, of course, is the world-famous "Little Denmark" founded in 1911 by a group of Danish immigrants looking for a suitable place to build a school for their children. Danish names handed down from early Solvang settlers are still prevalent, as are half-timbered buildings, decorative windmills, and especially Danish pastries.

Each of these towns is worthy of exploring, and are the reason that we selected the Santa Ynez Valley as the venue for our event. The back roads of the Santa Ynez Valley are unsurpassed for driving pleasure in a British car, and we plan to take full advantage of that for the tours following the car show. There will be time for stops at some of the wineries, and the tour instructions will mention some of the historic facts for your entertainment as you travel on the tour. The tour will take place on Saturday afternoon, allowing enough time for you to see more of the valley attractions on your own.

Our host hotel is the beautiful Santa Ynez Valley Marriott Hotel, located in the town of Buellton. The Marriott is a full

service resort hotel with all of the amenities that you would expect: individual climate control, speaker-phones with data ports, complimentary wireless internet access, hair dryers, irons and in room refrigerators to chill your favorite wines from the Santa Ynez Valley. The hotel has an outdoor pool and a state-of-the-art fitness center. For this event, a complimentary full American breakfast for two is included in your room reservation.

The Starting Gate Restaurant is available for casual American dining and there are other restaurants such as Hitching Post II, internationally known for its oak grilled steaks, and A.J. Spurs, are close by for your dining pleasure.

The hotel personnel are committed to making certain that we have a great stay at the hotel and have taken every measure to anticipate our lodging needs.

We will have a hospitality gathering at the Standing Sun Winery, just a short distance from the hotel, Friday evening so we can greet you, offer a place where you can catch up with old friends, and receive your registration packs for the event.

The main attraction of this event is the car display, and this year we have found a magnificent venue at a grassy park just 1-1/2 miles from the hotel. To make this even more enjoyable, we are offering a Santa Maria Style BBQ luncheon from 11:30 to 1:00 pm.

To close out our event, we are planning to liven up our Saturday evening awards banquet at the hotel with a 1940's theme and will be counting on you to dress in your best 1940's—War time attire. Awards and entertainment, including 1940's music and dancing, will follow.

Grilled Flat Iron Steak or Oven Roasted Chicken are available at the banquet, as are vegetarian plates.

We do hope that you will consider coming to this event. This promises to be a good one, filled with a lot of fun throughout the weekend, and you will have to look hard to find a better venue that offers first-class accommodations, great driving roads, and a beautiful setting for the car show. We hope to see you here.
